

Track team State Champ

Anyone who has visited Wilmington High School, during the past several months after school is over (and a similar condition has existed during the past several years) sometimes becomes suddenly aware of forms, hurling down the corridors and jumping over hurdles.

It is Coach Frankie Kelly's method of keeping his track team in top condition. There is no where else to practice, so he waits until school is over.

DANA ROUECHE: Oakdale Road resident, tied for fifth place in the 300, last Saturday, and the extra half point he earned gave Wilmington a slim 19½ points over the 19 of Xaverian, to win the State Championship.

Last Saturday those hurdlers, and their fellow team mates won the Class C championship for Massachusetts. It was quite a tribute to the team, and to Coach Kelly.

Wilmington moved up to Class C last fall, when it turned out the local high school had more than 490 male students. The exact number was 491.

If a school has 490 or fewer males, it is in Class D. If the number is 491 or more, again males, the Class becomes C.

Wilmington is the smallest school in Massachusetts, in Class C.

Of course all that business about males makes the rules sound chauvinistic. Maybe they are, but Wilmington has a couple of young ladies on its track team, if that is anything to comment about.

Chauvinist or not, Wilmington, with its limited facilities, went on to a perfect track record (9-0-0) for the year. Last Saturday it became Class C Champion for Massachusetts.

A year ago, when Wilmington had won the League title the Town Crier had a picture of Coach Kelly being tossed into the air by his team.

Perhaps it is time to have another picture of Coach Francis Kelly.

Dukakis invited to Town Meeting

Governor Michael Dukakis has received an invitation from the Acting Acting Chairman of the Wilmington Finance Committee to participate in the Annual Town Meeting, which starts on March 12.

The Acting Acting Chairman would like to demonstrate just how much of the control of the Town Meeting is no longer in the hands of the voters.

The invitation could not be given by the Chairman, Christian Bachman. Mr. Bachman has been a very ill man for nearly two weeks.

Nor could it be given by the Vice Chairman, Joe Casey. Mr. Casey is on active duty with the United States Marine Corps, where he holds the rank of Master Sergeant.

A third member of the Finance Committee is on a trip to Ireland, and that has left the committee with only six members to attend a meeting. The quorum is five.

The committee has finished its deliberations for the annual Town Meeting, and its recommendations are now in the hands of the printer.

Reports around Wilmington say that if the recommendations of the Finance Committee are followed in the Town Meeting the result will be a tax rate of \$63.50.

Pedestrian killed Sunday morning

A 12:53 accident, Sunday morning, took the life of a Woburn youth, who was reportedly hitchhiking on Main Street, near the Wilmington Plaza.

Brian Keating, 17, of 39 Campbell Street Woburn passed away at the Choate Memorial Hospital, in Woburn, at 1:15 am. The police say that Keating and a companion, Daniel Grammer, 18, of Baldwin Avenue, Woburn were hitchhiking in the southbound lane of Route 38.

There is a sidewalk, and Grammer was said to have been on the sidewalk, and Keating reportedly on the street. The accident is being investigated by Sgt.

Jay Palmer and Officer James Rooney of the Wilmington Police.

Rooney reported that the driver of the car involved was Carol McLaren of Dorothy Avenue, Wilmington. She is reported to have told the police that she and a girl friend were driving south on Main Street and had just passed the lighted area of Wilmington Ford when she first observed a man in the road. She tried to swerve, but it was too late.

Keating was the son of Mr. and Mrs. William H. Keating of 39 Campbell Street, Woburn. He was a senior in the Northeastern Vocational School, and was scheduled to graduate this spring.

Curve radius baffles hearing

There were several points in the Planning Board hearing on Tuesday that were baffling, and probably the most baffling were Articles 29 and 30 of the Warrant for the coming Town Meeting.

Article 29 adds to the definition of a lot width the words "Lot width - the shortest distance between the side lines of the lot measured at any point between the street line and the depth of the building."

The discussion on Article 29 took up quite a time, one of the commentators being Selectman Gillis. The purpose of the article is to prevent lots, which are extreme in shape, but the words "depth of the building" kept cropping up in the conversation. Perhaps there were those who understood what was being said. There were most certainly those who could only wonder.

Article 30 was even more baffling, in that it spoke of a "radius of a curve" and other items, with the frontage being capable of being reduced to 80 feet. In this instance too, the requirement applied at the building line, to add to the confusion.

Bill Hooper of the Planning Board felt that perhaps the wording meant 80% instead of 80 feet. He had several reasons. One was that there seemed to be no application to any one residential zone.

Mr. Hooper drew pictures of the types of building lots the article was intended to prevent - lots with all sorts of shapes.

It was pointed out that the present bylaw prevents such lots by its present wording, and the audience was told that the new wording was intended to "improve."

It left the audience thoroughly baffled, and Gillis echoed the sentiment of the meeting when he said

"Find out what they mean." - The "they" referring to the consultants who had provided the wording for the proposed bylaw.

Bob Leahy of the Planning Board stated that the proposed wording had "precipitated an argument" on the Planning Board, and said that the language was that of the consultant.

Barbara Hooper, who had arrived earlier than others, took part in a discussion on signs, which, it was said, was basically the same as the Sign Bylaw in Burlington. Mrs. Hooper objected to the allowed size for Home Occupations (one foot), and Chairman Arthur Harding proposed that this type of sign be up to two feet in size.

The Finance Committee, the hearing was told, had turned down Article 22, which proposed the changes in the Sign Bylaw. The hearing was also told that if this bylaw is adopted present existing signs can continue for five years.

Article 27, defining Home Occupations came in for criticism from the floor. The audience was told it had been written at the request of the Building Inspector, and that Article 28, which followed, was a part of the same thing.

Mr. Gillis jumped on the wording of (6) Article 28. The Section VI E, he said, should have been IV-5.

Mrs. Hooper was unhappy about the definitions under (9), particularly about two pupils, for music instruction. She wanted to know what a teacher would do who was trying to teach a quarter of, say, cornetists.

The hearing started off with an audience of one (Mrs. Hooper) and had an audience of about 15 when it was concluded at about 10-pm.

OBITUARIES

Services for Rev. Thomas Crump

Funeral services for the Rev. Thomas F. Crump, O.M.I. were held in Tewksbury February 13 at the Oblate Noviate.

The principal celebrant of the mass was the Rev. Francis Crump, O.M.I., brother of the deceased, assisted by the Very Rev. George A. Croft, O.M.I., provincial of the First American Province and the Rev. William Ryan, O.M.I.

Other celebrants included the following Oblates, the Rev. Thomas J. Reddy, the Rev. Robert F. Kilroy, the Rev. Joseph Quinlan, the Rev. Dominic Quinn, the Rev. Garrett Barry, the Rev. John Wholey, the Rev. Charles Bergstrom, the Rev. Leonard Sweeney, the Rev. Francis Hassett, the Rev. William O'Donnell, the Rev. William McGrath, the Rev. Patrick Healy, the Rev. Eugene McCarthy, the Rev. Raymond Lacrosse, the Rev. John Savage and the Rev. Walter Roberts.

Others present at the mass included, Msgr. Leonard McMahon

and the following Oblates, the Rev. Frederick Higgins, the Rev. Thomas McParland, the Rev. David Scanlin, the Rev. Martin Walsh, the Rev. Charles Coppens, the Rev. Raymond Hecker, the Rev. Salvadore R. Costa, the Rev. J.L. Tully, the Rev. Francis Flanagan, the Rev. Edward Mahoney, the Rev. William B. McFadden, the Rev. John J. Donnelly, the Rev. Raymond J. Hunt, the Rev. Matthew English, the Rev. William A. Robbins, the Rev. Edward Ward, the Rev. Edward Donovan, the Rev. Raymond Danahy, the Rev. Peter Larkin, the Rev. Vincent Newton, the Rev. George Buckley, the Rev. T. Franklin Wood, the Rev. John Linnehan, the Rev. Leo Monette, the Rev. Patrick Hollywood, Brother Richard Schults and Brother Gerald Martineau.

Also present were members of the Little Sisters of the Holy Family, as well as Sisters of Charity of Nazareth.

Burial was in the Oblate Novitiate Cemetery.

Louis Bruneau was engineer

Louis Bruneau, 89, husband of Ruby F. (Carter) Bruneau of 1480 Main St., died Tuesday, February 18, at a Tewksbury nursing home.

Born in Yeagertown, Pa., April 2, 1885, he was the son of the late Ferdinand and the late Matilda (Renfret) Bruneau. A resident of Tewksbury for the past 58 years, he retired 18 years ago as a portable engineer with several large construction companies in the Boston area.

He was a member of Local 4, International Union of Operating Engineers of Boston.

Besides his widow, he is sur-

vived by two daughters, Marion W. Bruneau of Tewksbury and Andrea M. Eloranta of Hingham; a brother, Napoleon Bruneau of East Douglas; three sisters, Mary Jane Bruneau of East Douglas, Edna Hughes of Sutton and Odella Deschaise of Providence, R.I.; and two grandchildren.

At the request of the family, service and interment will be private.

In lieu of flowers, donations may be made in his name to the organization of the donor's choice. The Farmer and Dee Funeral Home at 16 Lee St., Tewksbury is making arrangements.

G. Louise Murray

Mrs. G. Louise (Bailey), Murray, wife of Norman F. Murray of 10 Christine Drive, Tewksbury, died unexpectedly February 11 at a Lowell hospital.

She resided in Tewksbury for the past 22 years, and was a member of St. William's parish and the Tewksbury Women's Bowling League.

Besides her widower, she is survived by three daughters, Mrs. Joseph (Diane) George, Mrs. William (Maureen) Latta and Mrs. James (Elaine) O'Callahan, all of Tewksbury; two sons, W. Edward Murray and N. Stephen Murray, both of Tewksbury; a sister, Mrs. Dorothy Guarante of Tewksbury; a brother, Thomas L. Bailey, Jr., of Tewksbury, and 10 grandchildren.

A funeral mass was held for her February 14 at St. William's Church. Interment was in St. Mary's Cemetery in Lowell.

Charles J. LeFebver

Charles J. LeFebver of Fulton Road, Wilmington died at Winchester Hospital on Monday.

Mr. LeFebver who was born in Rumford, Maine was 76 years of age at the time of his death. He had been a resident of Wilmington for the past 35 and prior to his retirement, had served as a stationary engineer for the New Haven Railroad.

Private funeral services were held at the W.S. Cavanaugh & Son Funeral Home, 374 Main Street, Wilmington on Wednesday at 1 pm. Burial took place in Wildwood Cemetery.

William J. Welch was 82

William J. Welch, of 125 Heath Street, South Tewksbury died at his residence, suddenly on Wednesday, February 12th.

Services today for Arnold L. Pratt

Arnold L. Pratt of 615 Woburn Street, Wilmington died suddenly at Winchester Hospital on Monday evening.

Mr. Pratt who was 59 years of age at the time of his death, was born in Lowell, the son of the late Edward and the late Anna (O'Brien) Pratt.

He served in the U.S. Army during World War II and was a member of the VFW Post No. 2458 of Wilmington. He had been a resident of Wilmington for the past 28 years and was employed as a custodian at the Woburn Street School in Wilmington.

He was the husband of the late Elizabeth Mary (Baker) Pratt and is survived by his two sisters Mrs. Mildred Gieb of Hartford, Conn. and Mrs. Eleanor Chantal of Nashua, N.H.; his two brothers Russell Pratt of Maine and Raymond Pratt of Worcester. Many nieces, nephews and cousins also survive.

The funeral will be held from the W.S. Cavanaugh & Son Funeral Home, 374 Main Street, Wilmington on Thursday morning at 9:15 followed by a Funeral Mass at St. Thomas Church at ten o'clock which will be celebrated by the Rev. Father Francis W. Mackin. Burial will take place in the family lot, Wildwood Cemetery.

Mr. Welch, who was 82 years of age at the time of his death, was born in Cambridge, the son of the late Leo and the late Nellie Welch. He had resided in Somerville the greater part of his life prior to making his home in South Tewksbury 24 years ago.

Mr. Welch had owned and operated his own trucking firm for many years prior to his retirement.

He was the husband of the late Mary G. (Bryan) Welch and is survived by his son Frank J. Welch of Wilmington; his two daughters Mrs. Mary R. Bussell of Burlington and Mrs. Grace J. Bovitz of Wilmington; his sister-in-law, Miss Rita M. Bryan of Cambridge and his 14 grandchildren and 11 great grandchildren.

The funeral was held from the W.S. Cavanaugh & Son Funeral Home, 374 Main Street, Wilmington on Saturday morning at 9:15 followed by a Funeral Mass at St. Thomas Church at ten o'clock celebrated by the Rev. Father Francis W. Mackin. Burial took place in the family lot, Wildwood Cemetery.

Serving as pall bearers for Mr. Welch were: John Bovitz, William Bussell, Lloyd Bussell, James Welch, Frank Welch and Leonard Gustus.

The School Committee Budget

Every year there is a problem with the Wilmington School Committee budget. The problem comes from several sources, the first of which is that the law requires the budget be submitted to the Town Manager by December 20th and the last of which is that no one on the School Committee can be absolutely certain of the School Budget until after the negotiations with the Teachers Union have in effect been signed, sealed and delivered.

In many instances, in the past few years the negotiations have continued until after the annual Town Meeting, and there has had to be some retroactive budget accounting by the School Committee.

The conditions leave only one course of action open to the Superintendent of Schools, on December 20th. He must guess.

Guess he does. He takes a 20% figure over the costs of the previous year. It is the only course open to him, under the law.

The 20% figure is not necessarily accurate. Sometimes the School Budget increases by 10 or 12%, sometimes by 16 to 20%.

This year the school budget, not yet complete because of the negotiations with the Teachers Union, seems to have increased 8.7% to \$6,431,139. It was this figure which was given, recently, to the Wilmington Finance Committee. The increase over a year ago was over half a million - \$513,392.

Some of the comparative figures are shown on this page.

SCHOOL BUDGET CONFERENCE: Joe Casey, Vice Chairman of the Wilmington Finance Committee and Walter Pierce, Superintendent of Schools, talking School Budget, a week or two ago. At right is Finance Committeeman Brian Rogers.

ESTIMATED EDUCATIONAL RECEIPTS 1975 - 76 BUDGET

To offset the School Budget the Town of Wilmington will receive State Funds, as reimbursement for educational purposes. These monies are not spent by the School Committee, but go directly to the Town Treasurer, and are used to reduce the general Tax Rate.

It is estimated that the educational reimbursements to be received by the town will be:

Chapter 70. General School Aid	\$1,334,948
Chapter 76B. Special Education	274,695
Chapter 76. Tuition & Transportation of State Wards	13,399
Chapter 74. Vocational Education (WHS)	11,200
Chapter 71. Transportation of pupils	139,801
TOTAL ANTICIPATED STATE FUNDS, 1975-76	\$1,774,043

Bates College

Two Wilmington students are on the Dean's List, at Bates College, in Lewiston, Maine, having maintained a "B" or better average for the past semester.

Steven W. Coursey, son of Mr. and Mrs. Charles H. Coursey of 17 Frederick Drive, and Michele M. Lombard, daughter of Mr. and Mrs. Michael J. Lombard of 72 Glen Road were named to the Dean's List.

Sgt. Richard Weed honored in Germany

Exemplary conduct and duty performance as an inventory management specialist has earned Sergeant Richard T. Weed of Wilmington. Outstanding First Term Airman of the Quarter honors in his unit at Wiesbaden AB, Germany.

Sgt. Weed, son of Mr. and Mrs.

John E. Weed Sr., 22 Cunningham St., Wilmington is a member of the U.S. Air Forces in Europe.

The sergeant is a 1971 graduate of Wilmington High School. His wife, Dorothy, is the daughter of Mr. and Mrs. Carol A. Nye of 13 Cottage St., Woburn.

Chestnut Street hearing will be at 8:30 p.m.

The public hearing, with reference to "Simeon's Curve" on Chestnut Street will be at 8:30 p.m. Wednesday, in the Town Hall, and not at 8 p.m. as previously advertised.

The latest report is that the entire neighborhood is in agreement

Local students make Dean's List

Two students from Wilmington earned Dean's List grades at Norwich University during the first semester of the 1974-75 college year.

William H. Drugan '75, son of Mr. and Mrs. William Drugan, 7 Chandler Road and Michael S. Kaminski '77 son of Mr. and Mrs. Walter Kaminski of Fairmeadow Rd., have so honored.

Chamber music at W.H.S.

On March 5th at 8 pm in the Wilmington High School auditorium, a concert for the benefit of the Outward Bound Club will be given. The Mixolydian Chamber Consort will present a program of Schubert, Beethoven and Faure for double bass, soprano and piano.

Lawrence Wolfe, the consort's double bassist and a member of the Boston Symphony Orchestra will perform the Arpeggione Sonata of Schubert, Couperin's Pieces en Concert and a contemporary jazz piece, the Trigger Fantasy. Mr. Wolfe's recent performance of these works at Jordan Hall, Boston, was highly acclaimed by Michael Steinberg, music critic for the Boston Globe. Mr. Wolfe is currently on the faculty of the New England Conservatory and Boston University.

Pamela Held Wolfe, soprano soloist of the group, will sing works of Mozart and Faure. Ms. Wolfe is a member of the Tanglewood Festival Chorus and is on the faculty of the All Newton Music School. She has sung locally with chamber groups and as a soloist.

The pianist of the consort is Margaret Bachelder. She is currently teaching at the All Newton Music School. Ms. Bachelder will perform the Beethoven Sonata in B-flat major, Op. 22.

Tickets for this most unusual event may be obtained from any Outward Bound Club member of by contacting the Wilmington High School office and are \$1.00. This is another in the culture programs being presented by various Wilmington High School organizations.

BIRTHS

GRECO: Stephen Paul, second child, second son to Mr. and Mrs. Paul S. Greco of 1 Dayton Road, Wilmington on February 11th at Melrose-Wakefield Hospital.

Grandparents are Arthur G. Chapman of Stoneham and Mr. and Mrs. Louis Greco of Medford.

LAGOMARSINO: Daniel Joseph, second child, second son to Mr. and Mrs. Philip P. Lagomarsino of Burlington on February 11 at Choate Memorial Hospital.

Grandparents include Joseph C. Roberto of Mildred Road, Burlington and Mr. and Mrs. Philip Lagomarsino of Wilmington.

CHILDBIRTH COURSE

Couples who are expectant parents are invited to attend a six-week Preparation for Childbirth course presented by Ms. Karen Domit, R.N. at Choate Memorial Hospital, 21 Warren Ave., Woburn.

Classes meet every Thursday evening from 7:30 to 9:30 in the hospital dining room starting February 20 and concluding March 27. No fee is required.

JACKSON BROS. INC.

5 TOWN CRIER, FEBRUARY 20, 1975

AN OPEN LETTER TO WILMINGTON VOTERS AND TAXPAYERS

TO OUR NEIGHBORS AND FELLOW TAXPAYERS

This is a troubled year for the people of Wilmington. There is widespread unemployment, and many other residents are seriously concerned about their job security and their prospects for maintaining family income.

Inflation, rising real estate taxes, soaring electric bills, and increasing evidence of mortgage foreclosures have eroded confidence in family security among a large part of our population.

Clearly, this is not the year for "politics as usual" in Wilmington.

The undersigned, as taxpayers, homeowners, and residents of Wilmington, urge you to consider the unique qualifications and ability that Al Caira can bring to our Board of Selectmen.

WE KNOW HIM, AND WE KNOW HE CAN DO THE JOB FOR WILMINGTON.

EXPERIENCE AND COMPETENCE

As Assistant Superintendent of Tewksbury Hospital, Al Caira has major management responsibility for an annual budget of \$10.5 million, for 1000 employees, and for 1000 patients. (Note: Wilmington's Town Government budget is approximately \$8 million, with 200 employees).

Al Caira understands financial management, and he is experienced in collective bargaining, with public and private employees.

LEADERSHIP AND CONCERN FOR PEOPLE

Al Caira became Grand Venerable of the Massachusetts Sons of Italy (with 20,000 members), because he knows how to get people to work together for a common goal.

As Chairman of the Charitable and Educational Trust, as a member of the Don Orione Home for the Aged, as Trustee of Verrazano College, he has demonstrated an effective concern for the needs of older citizens, young people and families with special needs.

With his long personal involvement in public and charitable services, Al Caira has an acquaintance with leaders in State and National affairs - relationships which can help the Town of Wilmington.

The Klondike Trail

One hundred and sixty-three Boy Scouts, from the Wamesit District spent the last weekend at the grounds of the Wilmington Highway Department, in a "Klondike." They camped in the snow, built campfires and cooked their own meals, and transportation was by sledge, drawn by Scouts - and homemade sledges at that.

It was great fun, pulling a few hundred pounds through the forest, setting up tents, cooking supper, and then presumably sleeping in comfort all night.

Saturday was devoted to sports and fun, and, of course, more cooking of good old Sourdough Food, the kind that was eaten during the Klondike Gold Rush of seventy-five years ago.

Wilmington Scouts were the hosts of the other Scouts.

SLEDGE RACE: Bobby Parent and Jim Ramsdell, of Troop 41, Tewksbury hauling other scouts over the trail.

Tracksters reach ultimate : State Champs

What a week! What a glorious, spectacular week. Everyone, at some time in his life, should experience the thrill of such a week. Last week it was the Wilmington High School Track Team's turn. Those magnificent Wildcats performed the following feats of excellence:

Monday, won the league championship by defeating Austin Prep 68 - 18; Thursday won the league championship meet with a 15 point bulge over nearest competitor, Andover and on Saturday, won the Class C in the State Meet by the slimmest of margins, one-half point over Xavarian of Westwood.

That skinny half point victory compensated in part for the Wildcats' loss last June to powerful Brockton in the State Meet by one point. It was a happy group of young men who accepted that championship plaque Saturday from Mr. Hawkes, Reading Athletic Director on behalf of the Massachusetts Secondary School Principal's Association. Six years ago when winter track began at the high school, the team won a single meet. Now the cycle had been completed.

Monday's victory over Austin was discussed in last week's Crier so there is little need to rehash the events leading up to the first winter track title for the team, but Thursday's meet deserves more than passing mention. The superb performance of the Wildcats amazed spectators and opponents. Rick McCully got the festivities off on a swinging note with his customary first place in the hurdles, another record-equalling 5.8 clocking. Not suspected by Wilmington's opponents, however, was Joe Tannian's fifth place finish.

Jim Busby and Robert Sferrazza added another eight points to the total with a first and fourth place finish in the dash. Jim, in his first year of competition, clearly established himself as the league's best, while Robert is only a sophomore. The one-two finish of Tim Nee and Dana Roueche culminated a season wherein they showed the best 300 combination in the league. Tim's 34.5 tied the record and Dana was only .2 seconds behind.

Another unexpectedly fine showing was turned in by Steve Coville in the 600. His 1:18.5 timing, although far from his best, was remarkable in that it came after a week-long bout with the flu. Still, Steve's six points for first place were enough to boost Wilmington's lead to 23 points over closest rival, Billerica. Dave Cain sacrificed his

opportunity to run in the 600 to hold himself ready as a replacement for Coville in the relay, should the occasion demand it. The completion of four events had seen four victories for the Wildcats.

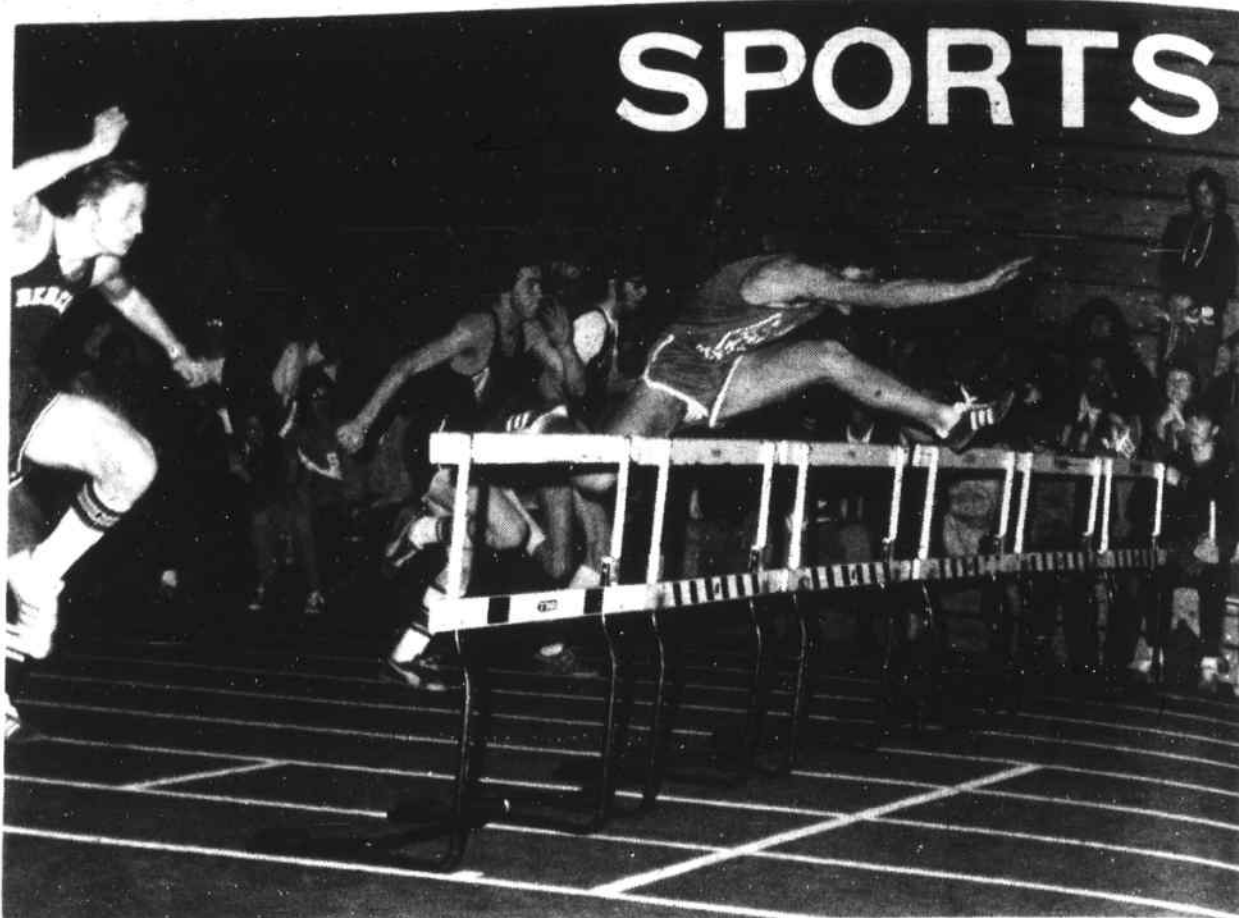

Tony Gravalles could manage only a fourth in the latter in spite of running a season's best in the Cage. An heroic effort by an unheralded Mickey Grant in the mile (4:46.6) was not quite enough for fifth place. Wilmington's lead had now shrunk to nine points, 33 - 24. How Doug Spring managed to run so fast in the two mile, even he doesn't know. Doug obliterated his own school record and the opposition enroute to a half-lap victory with 9:45.5 clocking. After the first mile and a quarter noone was close. Tim Nee's first place in the high jump and another wire-to-wire victory in the relay by Nee, Roueche, McCully and Coville was frosting on the cake.

Saturday was another case of building up an early lead, then hanging on for dear life. McCully again opened up with a first place in the hurdles, overtaking Dennis Dent of East Boston at the third hurdle and winning by two feet in 6.0 seconds. The big surprise was reserved for the dash as Jim Busby and Robert Sferrazza garnered a big seven points through their 2 - 3 finish. The next event, the 300, witnessed a third place for Tim Nee (34.1, another school record) and a tie for fifth by Dana Roueche. Little did we realize how important that tie was to be. Framingham South had earned two first places (dash and 300) but still trailed by four and a half points. Xavarian seemed out of it.

Now misfortune stalked the Wildcats. Doug Spring found that two two miles within the brief span of 50 odd hours were too much. He rapidly lost ground after the mile mark to finish a disappointing eighth. Coville's week-long inability to practice showed as he was never in contention in the 600.

Xavarian came on like a whirlwind. Shut out over the first four events, they proceeded to score in five of the next six. Two points in the two mile, four in the 300, three in the mile, and a big first place for six in the 1000. The stage was set for the climactic relay. Wilmington's lead had all but disappeared: 16½ to 15 (Xavarian) to 12 (Framingham South). Xavarian could win the meet with a relay victory or by beating Wilmington by two places. Framingham South had to cope for a relay victory and a fourth place finish by Xavarian and a fifth by the Wildcats. Such was not to be the case. Framingham got its first with a furious finish by Jim Barbieri over the last 80 yards to overtake Xavarian. Tim Nee finished seven yards out to nail down third place and the championship. Ten minutes of checking times and positions were needed to declare a winner officially.

The winter track team was born with its entrance into the Northern Essex League in 1969. Nineteen seventy-five marked its first championship. To coin a phrase: "You've come a long way, baby."

RICK McCULLY: Wins the hurdles at the State finals last Saturday at Reading

BOB SFERRAZZA: Picks up third place and some valuable points in the 50 yard

ADULT HOCKEY LEAGUE

Beavers 6-Back Bay 4

The Beavers jumped out to a 2 - 0 lead after the first period and matched the Back Bay goal for goal to win by two. Dave York's goal into an open net with :11 seconds remaining finally put the game out of reach. Charlie Miller and Dave York each had a pair of goals for the Beavers.

Big W 12-Blues 5

An undermanned Blues team jumped out to a 3 - 2 lead after the first period but the Big W struck for seven goals in the second period before the Blues could score again and the Big W rolled to its 10th consecutive victory. Dennis Sullivan led all scorers with a hat trick while Ed Buckley, Bob Brennon, Steve Neal and Wayne Hamilton all had two goals.

Benevento Jets 7-Bulldogs 2

The Jets just kept the pressure on goalie Leo O'Connell and it paid off in the third period as they exploded for four goals to break open a close game. Brian Tighe had a pair of goals for the Jets and Tim Walsh had both Bulldog goals.

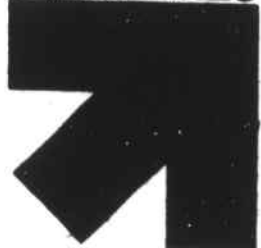

Little League registration Saturday

Little League registration for new members of the Wilmington teams will start at 10 a.m. Saturday, and continue until noon, at the American Legion Hall.

Only new members have to register. Age limits, the player must be nine years old before August 1, and not over thirteen on that same day.

There will be a second registration, a week from Saturday, March 1, also from 10 a.m. to 12 noon, at the Legion Hall.

HAPPY BIRTHDAY CAROL

Recs dump Stoneham

Lori McNabb's two goals paced the RECs to a 3-1 non league victory over Stoneham last Thursday. McNabb's red lighters came in the first period with Kim Wandell picking up both assists.

Lisa Pellerin added an unassisted tally in the final period as an insurance goal. Stoneham outshot Wilmington 26-15. Two goals

by Joan Welch and Lori McNabb gave Coach Backman's crew a 4-3 win over Shawsheen last Saturday night.

Cathy Briston played well in goal, turning aside 14 shots. The win gave Wilmington a 4-12-3 MVCGHL record. Their non league record stands at 12-4-1 overall Wilmington is 16-16-4

Wilmington Recreation Basketball

The various league titles are within reach of all of the divisional leaders as the 74-75 winter season winds down. In the girls' loop the Doves and Wrens are deadlocked for the Intermediate lead and this will be resolved on Saturday morning with both clubs meet in the seasonal finale.

Meanwhile, the Bunnies and Kittens have clinched the Junior East and West titles respectively and the Jades can finish no worse than a tie for the Senior crown.

Over in the boys' sector, the Eagles have a commanding two game lead over their nearest rival with only three games left to play. The Elks and Chargers have assured themselves of the Junior North and South championships respectively, while the Lakers have assured themselves of a tie for the Senior title with two games left.

The race for the Mens' championship has narrowed down to a three team battle between the defending champion Super-Stars, Lucky Ducks and the Merchants. This weekend will close out the season for most of the teams in the circuit.

Mens' division...In a battle for the divisional lead on Wednesday February 12th the Stars nipped the Merchants 76-74 on the strength of two Joe DiSarcina free throws with three seconds left to play. The margin of defeat for the Merchants was the charity stripe where the losers missed 24 of 44 free throw attempts, while the stars converted 18 of 29 tries. Joe DiSarcina took game high scoring honors tossing in 29 for the Stars, while Barry Sheen hooped 21 for the Merchants.

The Analog quintet nearly pulled off a major upset on Thursday of last week bowing to the Lucky Ducks, 69-55. The cellar dwellers trailed by one, 48-47 going into the final frame, but the Ducks outscored Analog 21-8 to stave off a gallant effort by the Device club. Bob Frongillo led all scorers tossing in 17 for Analog, while Bob Cassello and Dave Orndorff led the Ducks with 16 points each.

Wilmington Ford finally made it to the .500 mark whipping Analog, 90-53 in Sunday's lid lifter and the Super-Stars iced Cold Storage, 88-

48 in the nite cap. Bill Jensen scored 20 and Bob Flores and Jim Maxwell chipped in with 18 apiece to lead the Ford quintet to their fifth seasonal win. Bob Frongillo tossed in 13 for the last place Analog club. Joe DiSarcina poured in 33, 22 in the second half, to lead the Stars to their easy win. Dick Gillis scored 13 for the Storage club.

Intermediate girls...In last Saturday morning's twin bill, the Robins topped the winless Blu-Jays, 32-16 behind the torrid scoring of Susan Hanna, 22 points in her best effort to date and the Doves edged the Wrens in overtime, 20-16. Poor free throw shooting cost the divisional leading Wrens an opportunity to clinch first place as the red and white club missed all 12 of their charity tosses. It was a nip and tuck affair all the way as both clubs tied 14-14 after regulation time and at 16-16 after the initial extra frame. However, the upstart Doves were not to be denied and in the second overtime session they put the game away. Karen Rowe led the Doves' attack with eight points, while Kerin Taylor hooped eight for the Wrens before fouling out in the last period.

Intermediate boys...The Hawks moved into a second place tie with the Crows as they whipped the Ravens, 24-10 last Wednesday night. Kevin Bagrowski and Teddy Moran led the Hawks scoring with eight points each. In the other contest, the Eagles ran their unbeaten streak to seven with a hard fought 16-6 triumph over the upstart Gulls. Eddie Olshaw and Kevin Dicey led the Eagles with six and four points respectively, while Matt Wallent tossed in five for the Gulls.

Sunday afternoon the Crows kept pace with the league leaders as they topped the Owls, 22-10. Todd Driscoll led all scorers tossing in 10 for the Crows, while teammate Bob Perry added four. Bobby Marsi was the leading point getter for the Owls once again scoring six points on three field goals.

Junior girls...The Kittens clinched first place in the West sector with a thrilling 19-18 victory over the upstart Bears in last Saturday's opening contest. Kathy Madden took game high scoring honors tossing in 12 for the Bears

in a losing cause. Karen Andres and Deidre O'Reilly led the Kittens' offense scoring 10 and six points respectively. In the second game, the Pandas snapped a seven game losing streak as they overcame a 13-9 half time deficit to whip the Bees, 25-15. Donna Carroll tossed in 11 points to lead the Pandas and Kathy Pintrich added six. Marieanne DiGirolamo scored 13 for the slumping Bees.

In Sunday afternoon action at the high school, the Bunnies whipped the Foxes 32-12 behind the scoring of Susan Rowe (14), Cheryl Lapper (eight) and Nancy Gracia (eight). Tricia Stygles tossed in eight points for the last place Foxes. The Deers moved in to second place in the East with a 21-16 triumph over the Fawns. Linda Staffier (six) led a well balanced Deers' scoring attack as Susan Nagy, Robin Ready and Barbara Zaino chipped in four points each. Diane Doyle hooped 12 for the Fawns.

Junior boys...The Elks continue to roll as they won twice last week, whipping the Tigers, 61-27 on February 13th and posting a come from behind 48-30 victory over the Seals on Sunday afternoon. In other action the Chargers topped the Colts, 37-31 despite the defensive work of John Triglio and Dave Whitney; the Bulls won their first game of the year, defeating the Tigers, 22-17, and the Broncos pulled off a major upset defeating the unbeaten Chargers, 31-27.

Senior girls...The Opals toyed with the Emeralds, 30-19; the Jades gained the league lead with a 27-25 victory over the Crystals and the Rubys bested the Emeralds, 31-25 to highlight last Saturday's action. Sandra Carlson led the Jades into first place scoring 10 points, while Barbara Moulton added seven. Debbie Bent led the Crystals' attack with seven.

Senior boys...The Lakers clinched at least a tie for the league title with their 52-41 victory over the Celtics in Saturday night action at the high school. Steve Woods continued his torrid scoring, tossing in 24 points to lead the Lakers, while Randy Foster hooped 14 for the Celts. In the other games, the Pistons edged the Royals, 51-49 and the Bullets belted the Knicks, 62-46.

Wildcats pull upsets

Tuesday, Feb. 11...The Wildcats avenged an earlier loss to Central Catholic, nipping the Red Raiders 63-60. The free throw line was the difference as Wilmington hit on 21 shots to Central's eight. Bob Burns hit on 10 of his 22 points from the charity strip also. Capt. Vin Scifo and Ralph Peterson tossed in 16 and 13 points respectively. The Wildcats defense played excellently in the first half allowing 19 points, but laxed in the second half giving up 41 points.

Friday, Feb. 14...Wilmington pulled one of their biggest upsets of the year knocking off Methuen 71-69. The loss for the Rangers all but eliminated them from State

Tournament play. For the Wildcats Ralph Peterson had his best game ever (19 points and 16 rebounds 63% from the floor), along with Center Paul Cipriani (14 points, 10 rebounds, 58% from the floor). It was 27 points in the third period gave Wilmington the edge they needed after trailing 35-27 at the half. Bob Burns and Vin Scifo sparked the comeback with 11 and seven points in the third stanza. Burns would up with 15 points and Scifo finished with seven.

Wilmington outscored Methuen 13-3 at the foul line. In the final quarter Cipriani (six) and Peterson (nine) scored 15 of the 17 Wild-

cats' points. Wilmington's five starters played the whole game with four out of five hitting double figures. Coach DiSarcina summed up the contest, "Our starting five played with determination and desire all night, not quitting when Methuen came out smoking in the first period (22 points)."

In the junior varsity game, Wilmington bested Methuen 50-38. Ray Vengren tossed in 13 points and Steve Winchell tossed in 10.

Tuesday, Feb. 18...Wilmington was nipped by Andover 52-48. It was the Wildcats' closest game ever against an Andover team. With the score 50-48, Wilmington had the ball with 20 seconds to go, but a turnover cost Wilmington a tie. Ralph Peterson led Wilmington with 15 points followed by Bob Burns with 14 and Doug Malain with 12.

For the season so far Wilmington's five starters are all over 100 points (a first!). There is only 3.7 points difference between the Wildcats' and their opponents.

Wilmington wraps up its season tomorrow night against Chelmsford. Tapoff is listed for 7:30.

Open house at Shawsheen Tech

Parents of Wilmington and Tewksbury whose eighth, ninth and 10th graders are interested in enrolling at Shawsheen Tech are invited to tour the facility at an open house scheduled for Thursday evening, February 27th at 7:30.

The session is scheduled to allow parents an opportunity to visit shop areas and discuss curriculum and opportunities available at Shawsheen Tech.

Students are encouraged to tour the facility with their parents although on the afternoon of February 27 they will be bussed to Shawsheen Tech to tour the shops and academic areas in groups.

Bruce Perkins, Director of Guidance estimates that close to 450 parents and students will attend the afternoon and evening open house.

Laura Gerhartz to wed Andrew Hagan

Mr. and Mrs. Frederick L. Jaeschke of 7 Pleasant St., Wilmington have announced the engagement of her daughter Laura Joe Gerhartz to Andrew W. Hagan, son of Mr. and Mrs. Thomas J. Hagan of Tyngsboro.

Miss Gerhartz is a graduate of Wilmington High School and is currently employed by Compu-graphic.

Mr. Hagan is a graduate of Ayer High School and is employed at Murray Printing Co., Forge Village.

A September 6th wedding is planned.

LINDA JEAN PROVOST WILL WED IN AUGUST

Mr. and Mrs. Carl J. Provost of 5 Mountain St., Woburn have announced the engagement of their daughter Linda Jean to Frank J. Ouellette Jr. son of Mr. and Mrs. Frank J. Ouellette Sr. of 6 Westdale Ave., Wilmington.

Miss Provost is a graduate of Woburn High School and is currently employed as a secretary at MEC in Woburn.

Her fiancé was educated in Wilmington schools and is presently with Hewitt Oil Co. in Wakefield.

An August wedding is planned.

Winter production by Spotlighters

Friday and Saturday (this weekend) will mark the opening of the Spotlighters' winter production. Ticket prices have been lowered and a discount has been offered on tickets purchased before the actual production dates. Before Friday and Saturday they

may be purchased for 1.50 each from any member of by calling Ann Whitney at 658-3440.

On the bill are two comedies and a drama. The first production, "Footsteps of Doves" deals with a married couple and their relationship after 25 years of wedded bliss. The second, "A Pretty Row of Pretty Ribbons," is a suspense drama much like the old Alfred Hitchcock television show and the third "Anybody for Tea" features Mike Lane as the muscle-laden policeman who is the object of some peeping Toms from the senior citizen set.

Anyone thinking of joining the Spotlighters is urged to attend this evening of one act plays which will be presented at Wilmington High School, curtain time 8 pm. This is the first winter production for the Spotlighters and has been added to their yearly calendar by popular demand.

CAR CORNER

by Bob Bagnulo and Joe Casey

A periodic addition of water is necessary to keep the electrolyte in your battery at the proper level.

If the battery is underfilled, the exposed parts of the plates will harden and become chemically inactive. An overfilled battery, on the other hand, may cause the electrolyte to leak out, and this in turn will cause corrosion around the battery.

A good grade of drinking water is generally considered satisfactory for filling batteries.

You're sure to be satisfied with the customer consideration and quality service and selection at WILMINGTON FORD, 275 Main St., Rt. 38, Wilmington, 658-6800. Featuring one of the most modern and complete service and parts departments in the area, we encourage you to speak directly with the mechanic who will be working on your car, when warranted, to insure no loss of communication. Hours: sales, 9-10 Mon-Fri; 8-6 Sat; service, 7:30-9 Mon-Fri; 7:30-5 Sat.

Helpful hint

Replacing one badly worn part without checking related parts is often poor economy.

"THE BANK YOU KNOW AND CAN DEPEND ON"

Wilmington Youth Hockey

Mite "B" (14-6-2)...The B's soundly defeated Billerica by a score of 7 - 2. Billerica took the lead early in the first period but was quickly matched on a goal by David Fuller assisted by John Robinson.

Kenny Richter put the B's ahead before the period ended with the assist going to Keith Dunnett. The game winner was scored in the second frame by Jimmy Taylor assisted by Eric Berger. Jimmy

Taylor then added another tally, unassisted as the second frame ended.

The B's scored three times in the third period - Dave Fuller unassisted, Kenny Richter unassisted, and Peter Oikle assisted by Eric Berger. Eric Marshall provided the team with a fine display of polk checking. The B's face Reading on Saturday, February 22 at 10:10 p.m.

Squirt B I (18-3-1)...The Wilmington BI's trounced Winthrop for the second time this year by a score of 10 - 1. The outcome of the game was never in doubt as the BI's took command of the first face-off and poured it on for three periods.

Ed Harding scored the first goal at 1:57 of period one, assisted by John LaLiberte. Ed got two additional goals with assists to John

LaLiberte (two), Jeff Brown (one) and John Palmer (one) for his first hat trick this season. Jim Smith put home the winning goal at 4:33 of period one assisted by John Robson. Jim tucked in three more goals with assists going to John Robson (two) and Bob Magliozzi (one) as he picked up his hat trick for the day.

Single scorers for the day were John Robson from Bob Marsolini, Jeff Brown from Jim Smith and Bob Magliozzi from Ed Harding.

Goalies Ed Laquidara and Bill Redler narrowly missed another shut out as they stopped two and six shots respectively. All six

defensemen John Geroux, Jon Wiberg, John Palmer, Rob O'Connell, Bob Marsolini and Dan Allard played an important part in the low shots on goal as they broke up most attempts before they got to the goalies.

The BI's are well entrenched in second spot three points ahead of Chelmsford and five behind South Boston with eight games remaining in the schedule.

Pee Wee BI (14-3-5)...In attempting to earn a berth in the state tournament, the BI's took on Medford I last Friday. In a superb game, Medford was demolished 8 - 2 by the hard skating, hard checking BI's. Mark Portenza scored first, unassisted at 47 seconds of the first period. Peter Orlando scored next, assisted by Bob Lowney and Ken MacMullen. Medford finished the first period scoring with one goal at 6:11. Wilmington scored four times in the second period, Walter Surrence assisted by Mark LaLiberte and Eric Banda, David Kidd assisted by Mark Potenza and Keith Ford scored twice in twelve seconds assisted both times by Bob Lowney and Peter Orlando, making the score 6 - 1.

Mike Stokes opened the third period scoring assisted by Eric Banda and Mark LaLiberte. Medford's lone marker of the third period was followed by David Kidd's second of the night assisted by Rick Zambarnardi. Although Medford outshot Wilmington 20 - 18, super goaltending by Wayne Velzo and Ricky Ballou stopped all but two shots. Coaches Jim Kidd and Al Potenza deserve a good deal of credit for the team spirit shown in the BI's best game of the year to date.

In a regular league game last Saturday, Wilmington defeated again a very pesky Billerica II by a score of 2 - 0. Both goals were scored in the second period; Rick Zambarnardi unassisted and Bob

Town of Wilmington The Public Dump Situation in Wilmington

There will be a Public Meeting to discuss Solid Waste Disposal at 8 pm March 4, 1975, in the Wilmington Memorial Library.

Article 7 on the Town Meeting Warrant concerns the appropriation of \$300,000 for the purpose of developing a sanitary landfill for the disposal of Wilmington's solid waste. Article 8 concerns the appropriation of funds for operating the landfill. The many questions that have been raised by the residents of Wilmington indicate that the issue of the new sanitary landfill may not be well understood by the public. During three editions of the Town Crier we will attempt to explain the problem under 3 topics: (1) WHY MOVE? (2) HOW WILL IT BE OPERATED? and (3) WHAT WILL IT COST? The first topic, WHY MOVE, appeared in the February 13 edition of the Town Crier. In this edition we are answering questions on HOW WILL IT BE OPERATED.

HOW WILL IT BE OPERATED?

(1) What is solid waste?

Solid waste is rubbish, garbage, yard trimmings and the like.

(2) What is the difference between a dump and a sanitary landfill?

A dump operation does not properly compact and cover the waste material. A sanitary landfill compacts disposed waste, covers the waste each day with earth and provides for proper drainage so that the buried waste does not filter into the ground water. No burning is allowed.

(3) What does the Town presently have, a dump or a sanitary landfill?

The Town presently has a dump. The proposed new site on the Wilmington/Woburn line near Route 38 will be operated as a sanitary landfill.

(4) Who owns the present dump?

The present dump is privately owned. The proposed sanitary landfill would be owned by the Town.

(5) Who will operate the sanitary landfill, the Town or a private contractor?

It is recommended that a qualified private contractor selected by public bidding be designated for the day to day operations of the landfill.

(6) Who will supervise the overall management of the sanitary landfill?

The Board of Health and the Board of Selectmen.

(7) Will solid waste from out of Town be disposed of at the new sanitary landfill?

There will be controls established to keep waste from neighboring towns from being disposed of at the landfill site. Each town resident will be issued a sticker for a nominal fee.

(8) Hasn't the proposed site already been stripped of gravel? Where will the cover material come from that is used at the sanitary landfill each day?

Eddy confirms that there is enough cover material for the first seven years at the site. In the final stages of the sanitary landfill the cover material will have to be brought in.

(9) Will there be recycling efforts?

Complete separation of recyclable materials is an expensive operation and the market for these materials fluctuates. A voluntary recycling effort is being recommended. Space will be made available at the new site. Salvaging of metals and other such items will take place at the site.

(10) What happens to our rubbish and garbage now?

Household rubbish and yard trimmings are delivered to the present dump for disposal either by individuals or by private refuse contractor. Garbage is collected by private contractor and is used for animal feed.

(11) Will there be house to house collection of garbage and rubbish?

Current garbage collection will be terminated. It is felt that house to house trash collection is too expensive to start at the present time. You can either privately contract to have your solid waste (rubbish and garbage) taken to the landfill or carry it yourself as is presently done.

(12) What is a transfer station?

This is a structure which will house the large containers into which the trash is tossed. Cars will drive up to the side and deposit their solid waste. When filled the containers will be taken to the landfill site. This will eliminate cars at the actual site.

(13) Will the new sanitary landfill attract rats?

The sanitary landfill operation calls for compaction of waste as it arrives at the site. Each day the waste would be covered with about six inches of earth. Compaction and cover, along with general sanitary operations should minimize rodent problems. A rodent control system will also be implemented.

(14) What will be the effect of the new disposal site on the abutters?

The new site will be more acceptable than the present site. The new site will be planted and landscaped (green belt) for a distance of 100 feet to abutting property lines. There will be an eight foot high galvanized fence to keep unauthorized people from gaining access. Proper litter and rodent control measures will be taken.

(15) What are the hours of operation of the new sanitary landfill?

It is recommended that the sanitary landfill be closed only on Tuesdays and major holidays. Hours 8:30 am to 3:30 pm.

If your questions concerning the proposed sanitary landfill are not answered please feel free to write or telephone Peter L. Holzmeister at the Town Hall (658-3311) or Donald C. White (Chairman of the Solid Waste Disposal Committee) (658-5579).

Ballou may have won a point

Mr. and Mrs. Daniel Ballou probably won a point, Tuesday night, in a zoning discussion before the Wilmington Planning Board.

The Ballou hearing was relative to Article 44, in the Warrant for the annual Town Meeting. Two other articles were discussed, Articles 43 and 45.

Most of the discussion of the Ballou article was by Mrs. Ballou. She and her husband, who is a Detective-Sergeant in the Wilmington Police, had bought four lots of land on Park Street a few years ago, and had new lines drawn, to make bigger lots. Now they are trying to build a home on the third lot, closest to Gowing Brook, and seemingly are unable to do so because of the Conservation Commission or the Wetland Act. Mrs. Ballou was not certain what was stopping her, and she told the Planning Board she could not afford to hire a lawyer to find the way through the laws that affect the property.

Mrs. Ballou told the Planning Board that she had been ill, and the expense of the past four years made it imperative that there be a solution to the land problem.

She cited how other lots of land on Gowing Brook had building permits, and how the one she and her husband owned seemed to be blocked.

They had made the lot into one of 70,000 square feet, with a 175 foot frontage, the board was told. No filling would be required to build a home and have an area for a septic system.

When the town had a vote on Flood Plain neither Mr. nor Mrs. Ballou were able to be present. The flood plain line, as it was drawn, was on the lot land of the land being discussed.

Mrs. Ballou said that there had been a Board of Appeals hearing, which had resulted in a ruling in favor of the Ballou family. The Building Inspector had found nothing wrong, and the Board of Health had found nothing wrong.

Yet there was something blocking the Ballou family. They had put this article into the Warrant for the Town Meeting to find out what the trouble was.

The Chairman, Arthur Harding, said he was confused. Was it because of the Conservation Commission, or because of the Wetlands Act?

Bill Hooper thought it may be that there would be trouble with the septic system.

Joseph Kulig, Chairman of the Conservation Commission, didn't believe it was so.

Dan Ballou, who had come in, said the only grading he was planning was to make the place look good.

Bill Hooper said he was confused.

So did Dan Ballou.

And so did the Chairman, Arthur Harding.

Mrs. Ursula Leahy of the Conservation Commission, spoke up. The Conservation Commission, she said, is not in business to "make things miserable" for people. "If the property is wetlands, there will have to be a public hearing. If everything looks good there will be no problem."

Ballou said he was well aware of the Conservation Commission, and that he had heard it said that the

chairman had declared it was "an unbuildable lot."

The Planning Board Chairman, Arthur Harding, asked Ballou if he would consider making an acceptable lot, say 125 by 180, out of the area. Ballou agreed.

It seems that the Ballou family may get a ruling that will be favorable, or a favorable vote in the Town Meeting, after the Planning Board has considered the case.

Wilbur Thomas

Wilbur Thomas of Lowell Street is trying to rezone to Industrial some land (4 1/2 acres) which belongs to his mother and his sister. He has been trying for several years. Someday he probably will succeed. The land in question lies between West Street and Route 93, and along Lowell Street.

Tuesday night he again appeared before the Planning Board. He wanted to rezone the land, and to sell it because of the expenses of keeping his mother in a nursing home.

In answer to questions he said he did not have a ready buyer. The Blais - Porter people in Reading had been interested. There was another party of whom he had heard through a real estate agent.

The difficulty with the lot is that

there is no frontage on Lowell Street. All the frontage is on West Street.

The Planning Board took the case under advisement.

Blais Porter

Blais Porter, Chevrolet Agency in Reading, is still trying to get a site for an agency in Wilmington.

Last year they had located at a site at the intersection of Route 93 and Lowell Street. There were a few more or less stormy sessions with abutters and some selectmen.

Sometimes the sessions were quite nice, but it took a lot of time, and then the State took the land to build an additional ramp, for Route 93.

The Blais Porter people had considered the lot of land that Mr. Thomas seeks to rezone, but it was not satisfactory to Chevrolet headquarters in Detroit.

Now Blais Porter was before the Planning Board to ask that a lot of land at the corner of Concord Street and Route 93 be zoned so they could have an agency there. Like the former site, they wanted to have a sign proclaiming YANKEE CHEVROLET.

An attorney, James Watts, of Reading, presented the case. He found the Planning Board to believe that what he was proposing could not be done.

Arthur Harding, chairman, explained that he had been the Town Engineer a few years ago, when Tambone and Barbo were rezoning land on the other side of Route 93. The two men were not able to use any land in Wilmington for in-

dustrial or business purposes. They had to buy land in North Reading to get their entrance into their land.

This was because the (Federal) Bureau of Roads, in the layout of Route 93, had ruled that only

residential land be on either side of the road, by street entrance, for a quarter to a half mile, Harding said.

Watts felt he might be able to get the ruling changed.

Wilmington LWV questions candidates

The Wilmington League of Women Voters has prepared a list of questions which have been answered by the candidates. Those questions and answers follow:

Selectmen questions

1. What special qualifications do you feel you can offer to the town as a selectman?

FLIGHT FOR SCHOOL COMMITTEE

Pol. Adv. Robert L. Soper
Woburn Street

Compugraphic, the world leader in computerized phototypesetting equipment is expanding its facilities and enlarging its staff.

If you're looking for a company with more room to grow, take a few seconds and check our list.

KEY PUNCH OPERATOR - Full Time Days

One to two years experience on IBM 129,s required.

PAY ROLL CLERK - Full Time

One to two years experience required. Duties will include computing time cards, preparing checks, and changing employees status records.

ACCOUNTS PAYABLE CLERKS

One to two years previous experience required. These positions are in our busy new offices, part of our plant expansion plan. In addition to excellent starting salaries, Compugraphic offers a full range of company benefits, and is conveniently located at the junction of Routes 93 and 129 in Wilmington.

Call Merle Halvorson Area Code 617 - 944-6555.

cg compugraphic

80 Industrial Way
Wilmington, Mass. 01887

Listed: New York Stock Exchange
An Equal Opportunity Employer

2. How do you feel Wilmington's needs for low and moderate housing should be met?

3. What are our worst traffic problems? Do you have any solutions?

4. What role should the board of selectmen play in relationships with and between other boards, commissions, authorities and town administration?

Aldo A. Cairra

1. I feel I can offer the town a substantial background in government management. Specifically as a hospital administrator, I have responsibilities for a \$10.5 million annual budget involving approximately 100 employees and 1000 patients at Tewksbury State Hospital. In addition I have had extensive experience in assisting families with problems, and in supporting charitable efforts on

behalf of the elderly, retarded children, and young people via scholarship programs.

2. Its needs should be met by positive and aggressive action by our town officials in establishing standards and regulations which will both protect the town and allow for sufficient low and moderate income housing in appropriate locations to meet the needs of Wilmington families.

3. Our worst traffic problems are: 1) Lowell Street (Rt. 129) and 2) Main Street (Rt. 38) through Wilmington Center. Substantial relief for Lowell Street and the heavy industrial traffic on West and Woburn Streets could be obtained by the construction of a new Route 93 interchange on West Street near the Reading line. Relief for Main Street is most likely to be accomplished by the building of the proposed parallel relief road from Lowell Street to the new Route 129 bridge.

4. The Board of Selectmen should assume the lead in establishing a progressive direction for the town. The selectman's role is clearly defined in our Special Town Manager Act. The Town Manager is responsible for coordination of boards, commissions and authorities. The Selectmen must provide close, continuing policy guidance to the Town Manager, and hold him responsible for the effective performance of his duties. The Selectmen, as the only elective body supervising town government, must represent the voting public by implementing the policies and objectives most preferred by our citizens.

Pauline Leiter Cola

1. My priority aim as Selectwoman would be to do as well as former Selectwoman, Wavie Drew. I am not seeking the office for personal gain, but to make a contribution at a time in our town history when more than ever concerned individuals must become involved in local government. In seeking the office, I will not seek nor will I accept the support of any present member of the Board. If elected I will be an independent voice representing the wills and needs of the people of Wilmington and not those of special interest groups.

2. Establishing a competent controlled board with some members on it coming from the elderly, low and moderate income groups. This way the board will know and understand and better be able to meet the needs of these people.

The people having a voice to be heard and dealt with.

3. There is a traffic congestion on Route 38 to the square. The solution is either having a traffic officer moving the traffic faster, or a bypass.

4. The Board of Selectmen should be aware and conscious of what is going on in every board, commission, authority, etc. Resumes from these boards, etc. should be given to the Selectmen. In turn, the Board throughout the year could have newsletters sent to the people of the town of Wilmington so that they are aware of what is going on in the local government.

A. Daniel Gillis

1. I am totally committed to the Town of Wilmington. My decisions are the same to friend or foe. My decisions are made after doing my homework and are objective.

2. I believe we can care for our needs through our town boards or agencies. We are nearer to the problems.

3. We have problems but again, the D.P.W. would impose their plans on us. I believe we can resolve our questions at a local level. For instance, the D.P.W. would make a highway of Wilmington for Woburn.

4. The board of selectmen can play a limited role as overseer of other boards. These separate boards develop their own personality for accomplishments and enthusiasm. We can recommend people who will develop the best personality in the particular area in relation to the needs and desires of the Wilmington resident.

Madelyn A. McKie

1. A sincere desire to help Wilmington through the difficult years ahead, coupled with my wide range of experience in government, uniquely qualifies me. I am familiar with State and Federal agencies and their responsibilities, would serve full-time and am not associated with any special interest group.

2. Wilmington's Housing Authority, rather than out-of-town developers should determine how the town's low and moderate income housing needs are fulfilled. Assistance to residents now living in sub-standard housing and additional housing for the elderly are the categories I would give priority.

3. Lowell Street from I-93 and Main Street to the town line (plus

intersections). New R-129 bridge causes tie-ups on Main Street. Solution is R-129 (Main St.) By-Pass which I worked for, but now selectmen should lobby strongly for construction. Industrial traffic patterns need study to solve those problems.

4. Selectmen must assume leadership role to develop goals and objectives for Wilmington through cooperation, coordination and communication with all segments of town government (regularly scheduled meetings for inter-action). Priorities should be determined and delivered to Town Manager for follow-through. Selectmen should periodically evaluate goals, policies and implementation.

Hockey game to benefit Kevin Nolan Scholarship

On Thursday, February 27th the senior class of Wilmington High School will sponsor a hockey game at the Wilmington Youth Ice Arena. The faculty will attempt to continue their winning streak against the varsity hockey players. All proceeds from the event will go to the Kevin Nolan Scholarship Fund. Admission will be fifty cents.

WILMINGTON YOUTH HOCKEY (Continued from page 14)

Lowney assisted by Keith Ford. The BI's are now 14-3-5.

On Tuesday the BI's played Stoneham in their attempt to land a state tournament berth and came up on the short end of a 8-3 score. Keith Ford opened the scoring unassisted at 2:48 of the first period by breaking in all alone from center ice, pulling the goalie and shooting the puck into an open net.

Stoneham scored four times in the second and third period. Wilmington's two third period goals came from Rick Zambarnardi assisted by David Kidd and Frank DeVita following a scrambler in front of the net and 12 seconds later Bob Lowney assisted by Keith Ford and Rick Zambarnardi again on a close-in scrambler. Stoneham outshot the BI's 22-11 with many of their goals coming from deflections. Rebounds and through screens. Wayne Vellozo and Ricjy Ballou played well, making several excellent saves.

The next game will be Saturday February 22nd at 12:50 pm versus Wenham.

Bantam A (16-4-2)...On Monday, February 18th, Wilmington was edged out of first place by Reading in a fast moving hockey game with the only blemish coming on a disputed goal in the first period.

In the first period it only took Wilmington 20 seconds to score their first goal, a 30 foot slap shot by Mike Carlin with assists going to Brian Tighe and Dave Ballou. Bill Blaisdell lit the lamp next with the lone assist to Brian Tighe. Wilmington's (third goal scored) by Blaisdell was, after much discussion, disallowed and as it turned out was a big factor in the loss. Reading closed the frame with three goals.

Tom Gracia tied the game at 12:40 of the second period with assists to Tom Bavota and Mike Carlin. Reading once more took the lead with a goal 34 seconds later. At the end of two period's the score board read 4-3 Reading.

In the final frame Reading scored first to increase their lead by two. Bill Blaisdell came back with his second goal of the game with the lone assist to Tom Gracia. Reading scored again to stretch the lead once more to two. As the game drew down in time the disputed goal loomed larger and larger, but as it was a judgement call there were no grounds for a protest. Ed Sheehan closed the scoring in the game with assists to Paul Godfrey and Bill Blaisdell.

Wilmington takes on Winthrop February 24th at 9:45.

That evening at 7:30, the Wilmington High School Varsity Club will sponsor a night of professional wrestling including such stars as the Valiant Brothers, Dean Ho, Killer Kowalski and many more.

Tickets are \$4.00 for ringside, \$3.00 for grandstand and may be purchased at Winston's Coffee Shop or from any of the High School coaches.

These are the first two events of the Wilmington High School Winter Carnival.

INTRAMURAL NOTES

The results of the intramural league action during the weekend of February 14th were:

Bantam: The Hawks outscored the Leafs 5-2; while the Rangers and Canadiens skated to a 1-1 tie.

Pee Wee: The Flyers and Kings remain deadlocked at the top of the Pee Wee division as the Flyers (winning their 10th in a row) overcame the Seals 10-5 and the Kings

scored an 8-1 triumph over the Sabers; meanwhile the Penguins subdued the Canucks 7-4.

Squirt: The Braves retained sole possession of first place with a 5-1 victory over the Americans while the Aces resumed their winning ways with a 6-0 triumph over the Bears.

Mite: The Checkers outskated and checked the fleet Roadrunners by the score of 4-2; the Blades and Gulls settled for a 0-0 tie; while the Buckaroos outscored the Blazers 6-2.

Winter carnival at W.H.S.

A Winter Carnival will be held in Wilmington from Thursday, February 27th through Thursday, March 6th, with the following events scheduled:

Thurs. Feb. 27th: 4 pm, Teachers vs Students hockey game at Wilmington Youth Arena; 8 pm, Professional Wrestling at High School gym.

Fri. Feb. 28th: 3 pm, Cross country skiing; 8 pm, Night of Horror Movies at WHS auditorium.

Sat. March 1st: 2 pm, Brother and Sister Movie Day in the auditorium; 7:30 pm, Roller Skating Party at the Wallex.

Sun. March 2nd: 6 am, Ski trip to Mount Snow.

Mon. March 3rd: 3 pm Beginning of snow sculpture on the front lawn at WHS; 7:30 pm, Game Night in the High School gym.

Tues. March 4th: 10:30 am, Assembly, The Pocket Mime Theatre; 3 to 5 pm, Bowling Tournament at Candlewood Lanes.

Wed. March 5th: 3 to 5 pm, Tournament Day (checkers, whist, cribbage, chess); 4:30 pm, Judging of Snow Sculptures; 8 pm, Concert at High School Auditorium featuring members of Boston Symphony Orchestra.

Thurs. March 6th: 3 to 5 pm, Finals of High Wrestling at High School gym; 7 to 10 pm, Winter Carnival Dance.

Jimmy Marsi has retired from action

Patrolman Jimmy Marsi (James L.) of the Wilmington Police Department has retired, and it wasn't a willing retirement. Jimmy retired on January 31, after ten years of service. Jimmy is a small man, and he had to, well, stretch things a bit to get on the Wilmington force. It took several years. Once on the force he proved that he was All Cop.

There were many incidents, in his ten years, incidents which both showed his courage, and his intensity for police work. He took chances, many times, and came back with his man. On one notable instance he chased a 6 year old boy on foot for a mile - and caught him.
